| Bug ID:             | BUG-001   |
| Title:              | Privacy Policy & User Agreement links not clickable   |
| Severity:           | Medium  |
| Priority:           | High  |
| Environment:        | Windows 11, Chrome v126   |
| Steps to Reproduce: | 1.Go to EchoGPT website<br>2. Navigate to the Sign-In page<br>3. Scroll to the bottom where "Privacy Policy" and "Terms of Use" links are displayed<br>4. Try clicking on the links |
| Expected Result:    | Both links should be clickable and redirect to the respective documents/pages.  |
| Actual Result:      | Links are displayed as text only  |

| Bug ID:             | BUG-003   |
| Title:              | Duplicate Email Sign-Up   |
| Severity:           | High  |
| Priority:           | High  |
| Environment:        | Windows 11, Chrome v126   |
| Steps to Reproduce: | Sign up with a valid Gmail account (example: usrahsaba07@gmail.com)<br>Complete OTP verification successfully<br>Go to Sign-Up page again<br>Enter the same Gmail and try to register |
| Expected Result:    | System should show a warning/error message like "Email already exists" and prevent duplicate sign-up.   |
| Actual Result:      | No OTP email is received, and the "Enter OTP" page is confusing for the user  |
